Proceeds go to: Feeding the Valley Kid's Café

Kid's Cafe is one of the nation's largest charitable meal programs exclusively for children in need. The program provides evening meals safe and nurturing environments. The meals are prepared at CAFÉ FTV and then transported to seven locations throughout Columbus, Georgia and Phoenix City, Alabama. Our Kids Café sites are provided through a partnership with the Columbus Housing Authority, area charities and churches. The locations of the sites are in areas that provide accessibility from the children's homes or schools. This year round program provides 90,000 meals on an annual basis
