

## **Second Annual SASS Fun Run Loving Lainey Bug Sponsorship Letter**

**October 7th, 2017 at Winder-Barrow High School , Winder GA**

Savanna's Aicardi Syndrome Survivors (SASS) invites you to participate as a sponsor at the 2nd annual SASS Fun Run. This event will promote awareness and raise money for Lainey Cleveland, a child with Aicardi Syndrome. Aicardi is a genetic disease most common in females; only 300 to 500 cases in the United States have been reported.

With your support, we can work towards this goal of raising money for Lainey's medical bills and the needs of our loving Lainey. Your sponsorship will help fund the organization of this event. Any money received from sponsorships will be used to purchase t-shirt's for race participants, awards, and complimentary drinks for each race participant. All additional money from sponsors will go towards my fundraising goal of \$5,000.

I am doing various levels of sponsorships for the SASS Fun Run. Placement of sponsor name on t-shirts will be based on sponsorship level. Please consider the following sponsorship levels and fill out the sponsor registration form.

**Lainey Bug wants to see your sass at the 2nd annual SASS fun run!**
